History of Digitalization and the current status of the Department of Examinations, Sri Lanka

- ❖ Known to be the First Government Institution that used computers for data organization.
- ❖ Uses AS 400 Computer System for the application and admission procedure and to setup final results.
- ❖ The Committee of Experts appointed in the year 2017 has submitted a committee report titled "Strategic Plan for the Reforms of the Department of Examinations, Sri Lanka".
- ❖ With a vision for the coming years, a plan for the year 2018 and 2019 is emphasized in that Expert Committee Report.

Message of the Commissioner General of Examinations

The Department of Examinations, Sri Lanka is a leading Department that plays a major role in the implementation of e-government policy that suits the 21st Century.

The Department of Examinations, Sri Lanka has been successful in implementing a number of programmes related to the appropriate evaluation and assessment of student abilities in line with education modernization and conducting National Examinations islandwide and modernizing the evaluation process.

Sharing experience from many parts of the world, we have been able to perform a public service more than ever before by calling for applications online, issuing examination results, certifying and analyzing data in line with the Education Modernization in Sri Lanka.

The Department of Examinations, Sri Lanka unveils the progress made in recent decades through the Digital Commemorative Souvenir of Modernization and Digitalization to celebrate its 70th Anniversary.

I would like to offer my congratulations to the Department of Examinations, Sri Lanka on the occasion of the celebration of its 70th Anniversary, for the outstanding role it had played in the recent decades sharing and using universal knowledge and experience. I wish the Department success in its future endeavors.
